Dear Sir:

There is a possibility The Newark Eagles and The Atlanta Black Crackers, can come to Greensboro to play a ball game Friday September 13th. Would you be interested in having them there, and would you promote the game?

If you are interested please let me hear from you right away, as I will have to complete the schedule in the next few days.

The two teams get 60% of the gross everywhere they play, after government tax is taken out. The promoter keeps 40%.

If the game is arranged would you want me to order placards made and shipped to you? What prices would you charge? If you want cards made let me know the name of the park, time of game, prices, and do you use "section reserved for whites"

Will be looking to hear from you one way or the other.

Very Truly Yours
